

DESCRIPTION

Internally Illuminated sign system

The Double Sided Invinca is a high performance, internally illuminated sign, with a unique hinged access system, combined with a tough one piece body moulding and robust cast aluminium fixing bracket.

CONSTRUCTION

Body

Translucent Reflective Sign Face

One piece UV stabilised moulded body, available in grey or black, with an inset 5mm high impact polycarbonate backing panel supporting the translucent reflective legend.

Moulded In Graphics Sign Face

One piece 5mm UV stabilised, high impact translucent polyethylene moulding, with non reflective moulded in graphics and a recessed 2mm aluminium trim band, which is polyester powder coated grey or black.

Lighting

Translucent reflective faces - multiple LEDs.

Mold in graphic faces - multiple LEDs.

Mounting

Cast aluminium anti-rotational bracket, to suit 76mm post top fixing. Bracket incorporates robust stainless steel
