

DESCRIPTION

A stylish, reboundable reflective highway traffic delineator, based on a tough one piece moulded body with a unique, high performance return system. The Weebol has no mechanical moving parts to fail. Moulded features provide enhanced protection for the reflective panels.

CONSTRUCTION

Body

One piece, rotationally moulded medium density polyethylene, self colour white. 4mm nominal wall thickness.

Graphics

Single aspect 3M Diamond grade reflective sign face on front only, set into moulded rebates with rebated amber diamond grade side panels. Optional rear aspect.

Mounting

M12 stainless steel foundation anchors with injection moulded polypropylene rebate housing and two part cover.

LIGHTING EQUIPMENT

N/A - Reflective only.

OPTIONS

Available with black body.
Retention socket foundation.
Baselight installation adaptor.
Double sided available.
