ModuStar and MiduStar beacons	6 years	

# Warranty Terms and Conditions

## 1. Limited Warranty

The warranty as described herein shall only apply to Simmonsigs branded products sold by Simmonsigs in the UK and Ireland (hereinafter referred to as "Product"). The warranty is only applicable to the party purchasing the products directly from Simmonsigs (hereinafter referred to as: "Purchaser").

Simmonsigs warrants that each Product will be free from defects in material and workmanship. The foregoing warranty shall be valid for the period mentioned in the applicable warranty policy for your Products. If a Product fails to operate in accordance with this warranty Simmonsigs will provide free replacement of the failed Product subject to the applicable warranty policy and the limited warranty terms and conditions set forth below.

The warranty is a decreasing term warranty which decreases in a linear manner through the term of cover.

## 2. Terms and Conditions

- Simmonsigs' warranty flows only to Purchaser. If any Product covered by this warranty is returned by Purchaser in accordance with section 3 and within the applicable warranty period set forth in the warranty policy and upon examination Simmonsigs determines to its satisfaction that such Product failed to satisfy this warranty, Simmonsigs will, at its option, repair or replace the Product or the defective part thereof, or reimburse Purchaser for the purchase price. For purposes of clarity, "repair or replace the Product or the defective part thereof" does not include any consequential loss costs, removal or reinstallation activities, costs or expenses, including without limitation labour costs or expenses.

- If Simmonsigs chooses to replace the Product and is not able to do so because it has been discontinued or is not available, Simmonsigs may refund the purchaser or replace the product with a comparable product (that can show small deviations in design and product specification).

- No agent, distributor or dealer is authorised to change, modify or extend the terms of the limited warranty on behalf of Simmonsigs, in any matter.

- This limited warranty only applies when the Product has been properly wired and installed and operated within the electrical values, operating range and environmental conditions provided in the specifications, relevant installation and data guides, IEC standards or any other document accompanying the Products. This limited warranty only applies when the Product has been properly maintained as per the Products installation guides and relevant industry practice. If a Product is found to be defective, or not performing per the product specifications, the Purchaser must notify Simmonsigs in writing.

- Simmonsigs will facilitate the technical resolution of problems. Third party products sold by Simmonsigs are not covered under this warranty, except as indicated in section 6.

- This warranty does not apply to damage or failure to perform arising as a result of any Acts of God or from any abuse, misuse, abnormal use or use in violation of any applicable standard, code or instructions for use including without limitation those contained in the latest safety, industry and/or electrical standards for the relevant region(s).

- This warranty shall be void in the event any repairs or alterations not duly authorized by Simmonsigs in writing are made to the Product by any person, or if other manufacturers products are incorporated into Simmonsigs products by the Purchaser without written agreement by Simmonsigs. The manufacturing date of the product has to be clearly readable. Simmonsigs reserves the right to make the final decision on the validity of any warrantee claim.

- If requested by Simmonsigs, the non-conforming or defective Products shall become Simmonsigs' property as soon as they have been replaced.

- The warranty period starts from the date Simmonsigs invoices Product to Purchaser and may be reduced at Simmonsigs discretion if a lit product that is designed to switch off in hours of light has been working during day light hours due to circumstances outside Simmonsigs control such as incorrectly functioning 3rd Party CMS units or incorrect installation. If a replacement or repaired Product is provided as part of the remedy the warranty period starts with the date of manufacture of the originally supplied Product and not the manufacture date of the repaired or replacement remedy Product.

- Simmonsigs provides no warranty for free issued components provided by the Purchaser and fitted to Simmonsigs products.

## 3. Warranty Claims

All warranty periods mentioned are subject to a Simmonsigs representative having access to the failed product or system for verification of non-compliance. Guarantee claims have to be reported and returned to Simmonsigs office within 30 days after discovery, specifying at least the following information (additional info may be required on request):

- Products failed;

for System warranties also other components used to be specified

- Installation date and invoice date

- Job and serial numbers (from the Simmonsigs silver product label)

- Detailed problem description and number and % of failures, date-code of failure

- Application, hours burned and switching cycles Simmonsigs may charge Customer for returned Products that are not found to be defective or non-conforming together with the freight, testing and handling costs associated therewith.

## 4. No implied or other warranties:

- The warranty and remedies contained in the terms of the limited warranty are the only warranties given by Simmonsigs with respect the Products and are given in lieu of all other warranties, whether express or implied, including without limitation warranties of merchantability or fitness for a particular purpose, which warranties are hereby disclaimed.

- These terms and conditions state Simmonsigs' entire liability and obligation to Purchaser and Purchaser's sole and exclusive remedy in connection with defective or non-conforming Products supplied by Simmonsigs to Customer, whether or not such damages are based on any warranty not explicitly mentioned in these terms and conditions, tort, contract or any other legal theory, even if Simmonsigs has been advised or is aware of such defects.

## 5. Extended guarantees for failure related to vandalism

- Simmonsigs offers an anti-vandalism warranty on selected products only, where this is offered the following conditions apply, in addition to those already set out in the "Warranty Terms and Conditions" document. Where applicable this extended guarantee ONLY applies to, mechanical failure as a direct result of vandalism and does not cover any electrical component(s) or system(s) or failure due to road accident damage or failure due to incorrect installation and, or maintenance.

## 6. Limitations and conditions

- This is a limited warranty and excludes, among other items, installation, providing access to products (scaffolding, lifts, etc.), and special, incidental and consequential damages (such as loss of revenue/profits, damage to property or other extended costs not previously mentioned), and is further defined by the limitations and conditions set forth in the respective warranty policy and these terms and conditions.

- Upon request, Simmonsigs representatives have to be allowed to access the defective Product, system or application for verification of non-compliance.

- Simmonsigs cannot be held liable for electrical supply conditions, including supply spikes, over-voltage/under-voltage and Ripple Current control systems that are beyond the specified limits of the products and those defined by relevant supply standards (e.g. EN 50160 norms).

- With respect to products sold to the Purchaser by Simmonsigs but not bearing the Simmonsigs name or sub-brands, Simmonsigs makes no warranty of any kind, express or implied, including, without limitation, any warranty of merchantability or fitness for a particular purpose, but will make available to the Purchaser upon request but only to the extent permitted by law and relevant contracts, the warranties of the manufacturer of the relevant product.

## 7. LED product warranty

- The Purchaser acknowledges and agrees that an LED product will only be considered defective for the purposes of clause 1, if,
- Any of the LED's in a single luminaire fails to light in the first 2 years from date of manufacture
- More than 20% of the LED's in a single luminaire fail to light in the period between 2 years from the manufacturing date and the maximum warranty period set out in the Warranty Policy
- All the LED's in a single luminaire are proven to emit less than 70% or more of the LED's specified lumen output value within the relevant Warranty Policy.

- No other warranty on LED products is implied or given.
