EU DECLARATION OF CONFORMITY

Product: Weebolflex

Manufactured by: Simmons signs Limited.

Stafford Park 5,

Telford, Shropshire,

TF3 3AS.

This declaration of conformity is issued under the sole responsibility of the manufacturer

The product shown is in conformity with the relevant Union harmonisation legislation:

BS EN 8408:2005 Road traffic signs. Testing and performance of micro-prismatic retroreflective sheeting materials.

EN 12767-2007 Passive safety of support structures for road equipment

MIRA Limited UKAS testing laboratory 1105 performed the test to EN 12767-2007 and issued the certificate to performance class 100/NE/4 (Report No. 1028205)

Additional information:

Performance subject to Simmons signs recommended installation detail.

MIRA Limited also assessed the bollard against the requirements of BS8442:2006 14.3.3 High Impact resistance and was found to comply.

Reviewing the data from the original MIRA testing we are in compliance with EN 12767:2019 performance class

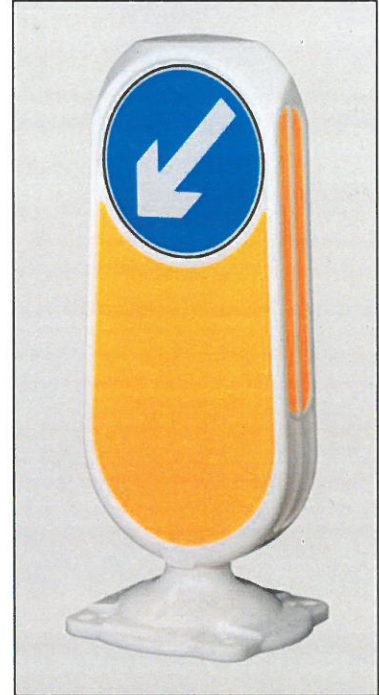

100-NE-A-R-NS-MD-0

Signed for and on behalf of:

Simmons signs Limited

10th July 2023

Mr Phil Simmons – Chairman

A handwritten signature in black ink, appearing to read 'Phil Simmons', written over a horizontal dotted line.
