

DESCRIPTION

The Guide Post is a tough reboundable low level sign system ideal where aesthetics and clutter reduction have a high priority. Featuring a tough moulded body carrying a single or double sided 300mm sign, coupled to an extremely durable return device. Available with an illuminated or reflective sign legend, the illuminated version uses the latest, low energy, long life, LED lighting technology which meets the requirements of BS EN 12899-1:2008 Class L3 (L2 double sided) with U3 uniformity.

Regulation 2019/465 and 2020/1359 on Construction Products as brought into UK law and amended
